

# INTERNATIONAL SCHOOL OF LAGO PATRIA

## **Birthday Celebrations**

Should your child's birthday fall on a school day we encourage a special treat for them. We request that **ALL** birthday cakes be shop bought and not homemade. Soda is permitted on these occasions along with chips and any party food that you wish to provide. Celebrations are usually organized for the latter part of the school day after lunch. Cakes can be ordered directly through the school. Parents are required to provide plates, forks, cups, and any other party materials needed.
