What is the difference between Cambridge Language and Cambridge International Exams?

Cambridge Language Assessment is a unique approach to teaching, learning and assessing **English**. It combines the experience and expertise of Cambridge English Language Assessment and Cambridge University Press.

Some reasons why you should choose Cambridge English:

1. Develop real-life English skills

- Cambridge English exams are designed to assess how learners use English to communicate in real-life situations.
- Teachers preparing students for exams are giving them communication skills they can use for everyday life, work and study.

2. Exams for a range of levels and uses

- All Cambridge English exams are aligned with the Common European Framework of Reference for Languages (CEFR) – the international standard for describing language ability.
- It is easy for employers and educational institutions to specify the level of English ability they require, and for learners to choose the right exam to reach their goal.

3. Accepted for work, immigration and study globally

- 20,000 universities, employers and governments around the world accept Cambridge English exams.
- Cambridge exams open doors to higher education, improve employment opportunities, and increase choice for study or work.
- Many Cambridge English exams are also accepted for visa and study purposes in the UK, Australia, USA and Canada.

Cambridge International School

Cambridge programs and qualifications prepare students for life – helping them to develop an informed curiosity and lasting passion for learning.

Cambridge helps students develop thinking and learning skills – so they become confident, responsible, reflective, innovative and engaged. Ready to tackle the demands of tomorrow's world, capable of shaping a better world for the future. That's why success with Cambridge opens doors to the world's best universities – in the US, the UK, Australia, Canada and beyond.

WHAT DO OUR STUDENTS STUDY?

We want each student to fulfil their potential and make the most of their strengths and interests. Cambridge International Schools offer a wide range of subjects and let every student choose the subjects they love and the subjects they're best at. Programs are designed to challenge students, and get them excited about what they're learning. They learn about the key concepts of each subject in depth, so they understand them inside and out. Students learn in English, and assessment is accessible to speakers of English as a second or foreign language.

WHAT ARE THE PROGRAMS?

Cambridge IGCSE is a two-year program for students build a broad learning program from a range of over 70 subjects. In each subject, they work towards Cambridge IGCSE, the world's most popular international qualification, for 14 to 16 year olds.

Cambridge International AS/A Levels is a two-year program to help students develop the deep understanding and thinking skills they need for university. They work towards Cambridge International AS & A Level qualifications – giving them the choice to specialize, or study from a range of 50 diverse subjects. This program is for 16 to 19 year olds.
