

# INTERNATIONAL SCHOOL OF LAGO PATRIA

## **Medications**

Students that are required to take ANY medications during the school day must have a note from the doctor indicating time and dosage of the medication and it must also indicate the number of days. This note must be presented to the main office. Students will not be allowed to take any medications during the school day without proper supervision.

A medical certificate is also required for any student who is allergic or sensitive to any material or food. This certification must be presented to the main office.
