Welcome to ISLP Junior School. We are proud of our dedicated, experienced staff and enthusiastic learners!

As demands and complexities of teaching children increase, it becomes more evident that we all need to work together to ensure that our children reach their potential. We believe that all of us – the school and the community – must work together in an extended family environment to ensure success for all our students. We believe it is everyone’s responsibility to empower children with the creative, intellectual, and decision-making skills necessary for them to become academically, socially, physically, and emotionally successful and responsible.

With that in mind, you are invited to take a look at the link below to get a better understanding of the curriculum for the Junior School. It is our desire to keep you informed of all that is taking place at school. Up-to-date and additional information will be sent to you through the weekly newsletters and will appear on our school web page. If you have questions or concerns that arise at any time, please do not hesitate to contact us through the main office or by email.
